THE INLAND CHILDREN'S CHORUS

The Inland Children's Chorus has been performing in the Spring Concert Series, sponsored by the Dayton Area Chamber of Commerce and the Dayton Art Institute since 1943.

The group was first formed in 1936 as an out-growth of Inland's Christmas parties at which talented employees or their children were invited to perform.

The purpose of the chorus is:

1. To give the children of Inland employees a musical education and an appreciation of good music, and,
2. To make a worthwhile contribution to the cultural life of Inland employees and the community.

There are 100 voices in the Children's Chorus Concert Group, 50 boys and 50 girls. An additional 80 boys and girls act as chorus understudies. Approximately 1,6000 children have sung in the chorus since it was founded.

It was directed by Richard Westbrook until his death in 1955. He was succeeded by Joseph P. Geiger, who is well-known in Dayton for his work with young people and children.
